How a Discovery Bible Study works

This page is for whoever leads the study. Everyone else only needs the passage.

A Discovery Bible Study has no teacher. The person leading only asks the questions; the Bible does the teaching. That is what makes it simple enough for anyone to lead — no title, no training, no materials, no money.

EAT, DIGEST, GROW

Eat the Word — Read the passage aloud, read it again, then close the Bible and have someone retell it in their own words. Reading is the bite, re-reading the chewing, the retelling the swallow. If the group can't retell it, read it once more before going on.

Digest — Work through the four questions. This is where the passage turns into faith and obedience — answered from what the text actually says, not from what someone already knew.

Grow — Growth is God's part, not yours. One plants, another waters, but God gives the growth (1 Corinthians 3:6–7). Do the cycle faithfully and leave the growing to Him.

THE FOUR QUESTIONS

Answer from what the passage actually says — stay in the text.

1. **What does this passage show me about God?**
2. **What does it show me about people — and about myself?**
3. **What will I obey this week? (a concrete step, with a day)**
4. **Who will I tell?**

THE SHAPE OF A MEETING

Look back — What are you thankful for? What is hard right now? How did you obey what we found last time, and who did you tell? Pray briefly for each other.

Look up — Read, re-read, retell — then the four questions.

Look forward — Each person says their own “I will…” out loud and names one person they will tell. Next time, the group asks about both. Asking is what turns a discussion into obedience.

THE ONE RULE: DON'T TEACH

The moment you start explaining, the group stops discovering. If someone says something that is not in the passage, do not correct them — ask, kindly, “Where do you see that in this passage?” and let them look. The text and the group sort it out. This is the rule that lets someone who has been in two studies lead the third.

Four to fifteen people. About an hour, once a week. Nothing else required.
